

Action Summit Reader's Digest – in Tweets

We are delighted to share with you a selection of the Tweets from our 2017 Action Summit, **Health Creation: Wealth Creation – *the power of communities and people.***

If you would like to learn more about the Summit, take a look at the ITN Production's video:

@nhsalliance excited to attend tomorrow's #NNHSASummit17 let's all stand together 🍷	@biggsfe
Health Creation is route to wellness-Merronsimpson#NNHSASummit17	@Alpha_TQM
#digitalhealth could benefit from a greater focus on #healthcreation #NNHSASummit17	@maneeshJunega
Social isolation is toxic, says Heather Henry, chair @nhsalliance. Good way to frame today's debate at #NNHSASummit17	@grahamduxbury
Henry: It takes 7yrs to train GP plus lifelong learning. Why would it be different for social system? #NNHSASummit17 #HealthCreation	@psenews
What would happen if the whole system asked the community: We need your help. See Wigan Deal #NNHSASummit17	@KamilCSW
#NNHSASummit17 Impressed already with the narrative #healthcreation	@krjacks
Merron Simpson: the range of professions interacting with the public each day need to explore new roles #NNHSASummit17 #HealthCreation	@psenews
Health Creation: Wealth Creation #NNHSASummit17 Antidote to the medical module. Supporting people to have Control, meaningful Contact & Confidence	@sknurses
NHSE's Michael MacDonnell highlighting the importance of #healthcreation for STP's and ACSs #NNHSASummit17 @Michael_Mac_UK	@CEOConcernGroup
Interesting to hear @Michael_Mac_UK outline #NHS reform progress but wld love to #relationships recognised as driver for #systemschange	@JessCordingly
MacDonnell: NHS England doesn't have all the answers and needs help from colleagues. #NNHSASummit17 #HealthCreation	@psenews
@grahamsphillips strongly making the case for community pharmacy - @NHSEngland just can't answer why they are decimating the network.... #NNHSASummit17	@LanchesterPharm
#NNHSASummit17 # "sometimes the solution we seek are hidden in plain sight"the power of people & communities working with health system leaders are the hidden asset to #Health Creation	@aabba001

<p>Lots of interesting discussion about communities as agencies for their own health creation, balancing budgets, increasing decentralisation and local autonomy. Community businesses could be a part of the solution in a place based system of health creation. #NNHSASummit17</p>	<p>@susiefin</p>
<p>Positive offer from @Michael_Mac_UK for conversations about #healthcreation with @nhsalliance #NNHSASummit17</p>	<p>@peter_hay</p>
<p>We are looking for NHS England to take a systematic approach to health creation - Dr Brian Fisher Vice Chair NNHSA #HealthCreation #NNHSASummit17</p>	<p>@Alpha_TQM</p>
<p>Our very own Karen Stevens from #DabHandsSRG is holding court at the #NNHSASummit17 in London! Go get 'em!!</p>	<p>@WEvolutionUK</p>
<p>Panel discussion starts with a simple message from Amelia Bilson of Middle Port Matters: isolation is the route cause of many health challenges #NNHSASummit17</p>	<p>@AmandaDavey15</p>
<p>"Don't tell me how to lead a healthy life, you're assuming I don't already know" Amelia Bilson @Middleport_ST6 talks #NNHSASummit17</p>	<p>@merronsimpson</p>
<p> Gordon Reid a rep for Gypsies, Travellers & Roma communities have been to 23 GP surgeries and 17 of them refused to register him. #NNHSASummit17 @WessexVoices @HealthwatchE @CQC_south #healthinequalities</p>	<p>@HwatchHampshire</p>
<p>@nmcinroy "health and wealth are joined at the hip" NNHSASummit17</p>	<p>@CEOConcernGroup</p>
<p>Investment in health is not a drain on the public purse, it's an investment, McInroy says, auditorium cheers #NNHSASummit17 #HealthCreation</p>	<p>@psenews</p>
<p>This is an extraordinary set of slides. Our rising use of antidepressants & the relationship with deprivation. #NNHSASummit17</p>	<p>@JessCordingly</p>
<p>Enjoying fabulous conference on health creation with @NHSAlliance #NNHSASummit17 Why oh why is the HV community development being lost?? @LGAWellbeing @iHealthVisiting We could be benefitting so many more people's health for the long term</p>	<p>@CherylIMa</p>
<p>#crazyworld. "People need to medicalise their stress to receive welfare support" @DeSTRESSExeter #NNHSASummit17 @nhsalliance Camerados_org</p>	<p>@MaffPotts</p>

Exploring the ethics of antidepressant prescribing when the cause of distress is not medical #NNHSASummit17	@seamusivy
GPs don't feel supported to provide the support needed for those with mental health needs, says Thomas. #NNHSASummit17 #HealthCreation	@nhsnews
Refreshing speech from Dr Felicity Thomas on causes of #mental distress relating to economic deprivation #NNHSASummit17 #DeStressProject	@N_ableD
#NNHSASummit17 great presentation Felicity Thomas , points well made, #mentalhealth #substance misuse collaboration, sense of purpose, it's definitely not just medical...	@TheOasisCharity
The fact that the cost benefit of a health advocate for a Gypsy Traveller community in Leeds had a cost return of x10 demonstrates value of health creation. #NNHSASummit17 @iHealthVisiting @LGAWellbeing We need more economic assessments to encourage more community investment	@CherylIMa
We started @Buurtzorg because complexity of system was causing problems not solving them - @josdeblok https://t.co/sC40paD5I2 #NNHSASummit17	@BrendanFMartin
@josdeblok @buurtzorg #NNHSASummit17 Keep it small, keep it simple. Organisational model based on teams organising themselves and feeling personally responsible for their work. Supported by coaches. No managers.	@sknurses
"When u work in self-organising teams ur brain starts to work differently cf when ur told what to do" @josdeblok #NNHSASummit17 @nhsalliance	@merronsimpson
Hit by a brick by brilliance of @buurtzorg Self-organised nursing! "solutions based on human-friendly relationships" #NNHSASummit17	@MaffPotts
#NNHSASummit17 #HealthCreation economics starts in homes, families, communities and feed into economic success	@AlexMcCraw
McInroy: Welfare system is breaking down. New deal needs to be struck. #NNHSASummit17 #HealthCreation	@psenews
Inspired by the call to action from @nmcinroy. Please could you become our Prime Minister Neil? #NNHSASummit17	@hall_juliann
A challenging and inspiring day at #NNHSASummit17 where we are highlighting the great work happening in Stoke-on-Trent empowering communities #sot2021	@Middleport_ST6
Yes Ellie! Don't say "hard to reach", rather "seldom heard" communities. Fab correction redressing power balance @LeedsGATE #NNHSASummit17	@JessCordingly

"Commissioning from the margins delivers better outcomes for everyone" @LeedsGATE @Nhsccl #NNHSASummit17 @nhsalliance	@merronsimpson
Salutary reflection on measurement of #healthcreation : ' when I had evidence no one wanted to see it, when I didn't have evidence everyone wanted to know where it was' #NNHSASummit17	@peter_hay
Karen, who was in a @wevolutionuk self-reliant group, says the experience has impacted her life dramatically after experiencing domestic abuse, homelessness and suffering from ill mental health #NNHSASummit17	@nhenews
@nmcinroy: "How we amplify, scale and spread community innovation is the policy question of our time." Rather! Collective thinking at the #NNHSASummit17 is bringing us closer to answering it.	@TheDragonCafe
Great story from @Altogetherbeter about measuring the benefit of community-driven health creation on reducing NHS demand/cost #NNHSASummit17	@grahamduxbury
Also worth overlaying the wider context on this ie rising poverty and inequalities. Need to collectively work harder at a national and local level on inclusive prosperity! #NNHSASummit17	@roz_davies
Very sad not to be at #NNHSASummit17 today. Going to treat myself to a 10 minute coffee break while I catch up on the Tweets. Hope you're having a great day @S3bster @louisebrady17 @HeatherHenry4 @MerronSimpson @nhsalliance	@what_claire_did
#NNHSASummit17 congratulations on a really interesting and definitely different approach. Definitely not your usual biomedical based rehearsal of problems (not solutions) @NHSEngland please note!	@grahamsphillips
Norman McKinley from @BritishRedCross talking about changing mindset in the moment to respond sensitively to the needs of the Grenville community at #NNHSASummit17. Lot to learn from experience	@Altogetherbeter
Channel 4 asked new mums to get in touch with them about isolation, they were overwhelmed with the number of responses. #itstartswithyou #NNHSASummit17	@HwatchHampshire
GP surveyed his repeat prescriptions. 60% were for social diseases: mental health, diabetes etc. People need people not pills were possible. #NNHSASummit17 #HealthCreation	@KamalCSW
Conversations at #nnhsasummit17 today remind me of my own journey this year and why I feel true change happens when we connect with humanity https://t.co/wj4iza5LC4	@ManeeshJuniga

#healthcreation through work. Lee set up HMPasties - delicious food made by people in the criminal justice system. @nhsalliance #NNHSASummit17	@_Michael_Palmer
Robbie Turner, director of England at the @rpharms, says small-scale interventions, even just health walks, can make a big difference to a local community #NNHSASummit17	@psenews
Good afternoon with @nhsalliance discussing how pharmacies can help support communities to create health and facilitate citizen involvement in health and well-being	@RobbieMTurner
Self creating and self supporting groups using social media to connect and #healthcreation - simple, free (relatively) and available - very powerful #NNHSASummit17	Alpha_TQM
Wow! Sanjay Ganvir sets out how an employee owned pharmacy group drives wealth creation which maybe a model for micro-businesses across care and health #NNHSASummit17 @nhsalliance	@peter_hay
@sanjaypganvir my kind of "weirdo hippy", inspiring work of GreenLight pharmacies as local health creating community hubs #NNHSASummit17 #HealthCreation	@KamalCSW
Just had a great chat with Duncan Selbie, CEO of @PHE_uk, about how #healthcreation goes way beyond just the NHS and healthcare - all orgs must come together, much like in devolved regions. Look out for our interview with him in the next edition of the magazine! #NNHSASummit17	@psenews
"Staggering to see how NHS / LAs are still going ... we have colluded in the idea that more £ = better health" Duncan Selbie #NNHSASummit17	@merronsimpson
'A job, a home and friends is what makes real difference to health' Duncan Selbie , CEO Public Health England tells #NNHSASummit17	@hall_juliann
Congratulations to winner of the Trojan Mice award Camborne TR14ers! #NNHSASummit17	@nhsalliance
Another big congratulations to our inspirational winners of the Getting-Our-5-A-Day award, @ShefFlourish #NNHSASummit17	@nhsalliance
Congratulations to both award winners and all runners up well deserved 🙌 #NNHSASUMMIT17 #HealthCreation	@AlexMcCraw
Hidden Voice - giving a voice to people living with dementia. Very moving finale to fascinating day #NNHSASummit17 #HealthCreation	@natalieh_cukt
Good to be at #NNHSASummit17 and take part in the conversation earlier. Thanks all for contributions and thoughts.	@davidjbuck

<p>Looks like you all had a fantastic day, & you were trending too! #NNHSASummit17</p>	<p>@louisebrady17</p>
<p>Thank you for the opportunity to speak and be part of #NNHSASummit17 #HealthCreation Still so many thoughts and ideas and opinions running through my head.</p>	<p>@AlexMcCraw</p>
<p>Like I always say, you can't have a revolution without a 25mm badge. Thanks for revolutionary day @HeatherHenry4 @nhsalliance #NNHSASummit17</p>	<p>@MaffPotts</p>
<p>Yesterday we were honoured to win the @nhsalliance Excellence in Health Creation Award for 'Getting Our 5-a-day' - here's why we're so very pleased: https://t.co/mIMjXKuKrJ #NNHSASummit17</p>	<p>@ShefFlourish</p>
